Sub: Online learning and certification for Oracle products

Sir/Madam

Oracle University will be offering 6 online learning courses with certifications free to IAAD users. The program will be available until [May 15, 2020](#). Starting now, Officers/Staff of IAAD can register for the free courses and will have quick and easy access to more than 50 hours of online training and 6 certification exams.

Oracle University will provide users with free access to an extensive library of materials for Oracle Cloud Infrastructure and Oracle Autonomous Database, as well as content related to topics such as data science, machine learning, and multi-cloud environments such as integration with Microsoft Azure.

Further, training will include access to high-quality videos, subject matter experts, and recorded demos of hands-on labs available anywhere, anytime. This will help to accelerate the learning and gain highly sought-after skills

The details for registration and training is given below:

Step 1: [Get a free Oracle Single-Sign-On \(SSO\) account](#).

- Click on Hello. Log In. (See far right corner of the page).
- Select "Create an account" and fill in the required fields.
- Verify account via email.

Step 2: Access learning paths through the links below:

- [Oracle Autonomous Database Specialist](#)
- [Oracle Cloud Infrastructure Foundations Associate](#)
- [Oracle Cloud Infrastructure Cloud Operations Associate](#)
- [Oracle Cloud Infrastructure Developer Associate](#)
- [Oracle Cloud Infrastructure Architect Associate](#)
- [Oracle Cloud Infrastructure Architect Professional](#)

Step 3: Register and take your free certification exam. If you have a PearsonVue account, log in. If not, choose "Create a web account" on the right side of the page and follow instructions. If you already have an [Oracle Single-Sign-On \(SSO\) account](#), there is no need to create the account as stated in Step 1 and can directly start from Step 2.

For any issue relating to registration, you may contact on Mobile 9871610593.

Yours faithfully,
-sd/-
(P.Prabhakaran)
