

**OFFICE OF THE  
ACCOUNTANT GENERAL (A&E), ODISHA,  
PURI BRANCH, PURI.**

No.WM-47-Miscellaneous/752

Dated: 25.08.2015

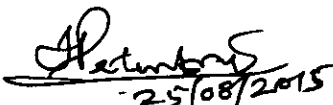

During the course of visit to the Public Works Divisions, it has been observed that, in a few Divisions, the DAOs have not been provided with independent chambers / computer with internet facility in their chambers. In the scenario of processing the payments / accounts online, absence of the above facilities renders the role of DAO meaningless / ineffective and also compromises the independence of the DAOs in performance of their duties.

The DAOs, who have not been provided with the above facilities in their respective Divisions (both under regular and additional charge) may furnish information in the following Proforma through **return mail latest by 10.09.2015** and also a hard copy by post. (Indicate 'YES' or 'NO' in columns 3, 4 & 5).

**Proforma**

Name of the Division	Date of commence ment of operations by the Division	Whether separate chamber has been provided to the DAO ?	Whether computer has been provided in the DAO's chambers ?	Whether the computer has internet facility ?	Reasons for not reporting the matter to the DAG's office.
1	2	3	4	5	6

As the matter is being reported to the appropriate authorities along with proposals for rearrangement of the charges of such Divisions, the respective DAOs will be responsible for the consequences arising out of non furnishing the required information by the due date / furnishing wrong information.
