

OFFICE OF THE PRINCIPAL ACCOUNTANT GENERAL (A&E), ODISHA,

PURI BRANCH, PURI

No. WM/47-Gen.Misc.A/cs/-1197

Dated : 14.11.2017

CIRCULAR

Consequent to the notification by Government of Odisha, Steel & Mines Department, published in the Odisha Gazetee Dated 14.12.2016 vide SRO No. 601/2016, references have been received from many DAOs regarding the rate of recovery of royalty towards different minor minerals such as sand, chips, metal, moorum etc. used in construction works executed by P.W(including R & B, R.W., N.H., Irrigation, Minor Irrigation, P.H., RWSS etc.) Divisions. In view of the above notification, all estimates made after 14.12.2016 should include the new rates of royalty as specified in Schedule II attached to the publication and the recovery should be made accordingly from the executing agencies. In case of works executed after 14.12.2016 for which estimates had been made earlier, clarification regarding the rates of recovery may be sought for from Finance Department, Government of Odisha through the respective Controlling Officers. However it should be ensured that no undue benefit accrues to the executing agencies in this process.

Sr. Accounts Officer
